

September 15, 2011

To whom it may concern,

**Allied Air Enterprises Inc. would like to certify that the goods more specifically described in Attachment 1, are produced in the United States of America.**

**As of the date of this letter, the following Allied Air Enterprises products manufactured under the Armstrong Air™, AirEase™, Ducane™, Concord™, Magic-Pak™ and Allied Commercial™ brands are fully assembled in the United States of America.**

Components, subassemblies and raw materials used in final assembly in the Orangeburg SC, Grenada MS and Marshalltown IA manufacturing facility originate from the USA, Mexico and other countries.

Please contact us if we can help you out in any way or if you have any questions.

Regards,

David J. Palazzolo  
Cooling Product Manager  
Allied Air Enterprises
