### Magic-Pak Distributor

Excelsior Mfg. & Supply Corp.  
1750 Thomas Ave.  
St. Paul, MN 55104  
(651) 646-7254

University Village is designed for comfortable, convenient campus living. The 199-unit, four story building uses Magic-Pak HWC units for individually controlled heating and air conditioning systems. The HWC unit is one of the many unique features that makes University Village a great place for students to live.

*For more information about this or other Magic-Pak projects, please call Armstrong Air Conditioning Inc. at 1-800-448-5872.*
